Lach, English and publications adviser. Missing from the picture is Miss Roberta Hanley, Challenge School director.

Mr. Craig Buford

Mr. Craig Buford taught 38 1/2 years at Hobart Middle School and HHS. Although he taught a variety of science classes, he usually taught biology and honors biology. He was also a varsity football assistant coach for 26 years and offensive coordinator for the last 10 years. Other coaching jobs included assistant varsity baseball coach and basketball at the junior high.

Mr. Buford graduated from HHS and received his bachelor's degree in zoology from Indiana University Bloomington and his master's degree in secondary education from IU Northwest.

About choosing to retire, Mr. Buford said, "I still enjoy teaching, but I had a few teachers in high school who taught well past the time they should have, and I don't want to make that mistake."

Mrs. Shirley Coons

Mrs. Shirley Coons spent 25 years of her 29 years of teaching at HHS. Over the years, she has taught freshman through senior English, but her favorite classes have been senior composition and honors junior English. She also sponsored Academic Decathlon, Academic Super Bowl, and Spell Bowl teams, and the Sophomore Class.

Mrs. Coons graduated from HHS and received her bachelor's degree in English from Indiana University Bloomington. She then received her master's degree in English from IU Northwest and another master's degree in instructional design from Purdue Calumet.

In retrospect, Mrs. Coons said teaching "was perfect because I could teach and raise my three children. We had the same vacation."

Miss Carmen Dulhanty

Miss Carmen Dulhanty spent the last 24 years teaching at HHS. Before that she taught three years at the middle school and two years in Frankfort. She has taught a variety of physical education courses over the years with life guarding as her favorite. She was also the physical education department chairwoman. Over the years, she has also coached volleyball, basketball and golf.

Miss Dulhanty received her bachelor's degree in physical education from Purdue University, and a master's degree in secondary education from the University of Kentucky. She also had an administrative license from Purdue.

Miss Dulhanty would like to thank all who have enriched her life during her time at Hobart. "It was a fulfilling career, and I am ready for some new challenges." Those challenges may include working full time instead of part time in a marketing firm that she is a partner in. She also plans to travel and golf more.

Speaking about her memories, Mrs. Fressle said, "I truly enjoy many of my classes and have fond memories of all of them. However, I couldn't have asked for better classes than I had this year. If I could be guaranteed classes like this, I would never retire!"

Miss Roberta Hanley

Miss Roberta Hanley graduated from Lew Wallace High School and received her bachelor's degree from Purdue Calumet and her master's from Indiana University Northwest.

Miss Hanley started teaching at the middle school, which was then the junior high school but moved up to HHS with the freshmen in 1983, where she taught mainly introduction to social studies. When the school initiated the Challenge School alternative education program, Miss Hanley became director of the program and remained in that position until her retirement.

She has been teaching at HHS for 38 years. Her classes have included journalism, her favorite class, as well as sophomore and senior English and mass media. She has also been the Ho-Hi Life newspaper and Memories yearbook adviser since 1972. Other activities she has sponsored included Quill and Scroll, Photography Club, Quill literary magazine, Thespians, Team Lead and pom-pom girls.

Miss Lach decided to teach because of the influence her journalism teacher in high school had on her.

During her retirement, she hopes to spend many hours, days and weeks with her three granddaughters, Bailey, Alexandra and Riley. She said she may also write a book about her teaching experiences. "Don't worry. I will change the names to protect the guilty!"

"I have always said my life was like a musical comedy. So to end my years at HHS, I would sing, 'I've Had the Time of My Life'."

Mrs. Barbara Loverich

Mrs. Barbara Loverich has spent 22 years of her 34 years of teaching at HHS. She also taught Portage High School and Bishop Noll Institute.
